DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students wishing to cancel or discontinue their participation in Montes HealthCare College may be entitled to a refund of certain monies paid to their enrolled program. Students shall notify the school in writing of the cancellation of their enrollment agreement and withdrawal from their enrolled program ("Notice of Cancellation"). The letter must include the effective date of withdrawal and the reason for the withdrawal. The Notice of Cancellation may be submitted by any of the following methods:

Fax
310-436-7711

Email
Info@MontesHCC.com

Mail
555 W. Redondo Beach Blvd., Ste. 108, Gardena, CA 90248

If the Notice of Cancellation is received by mail, the postage date indicated on the envelope will serve as the effective date of Notice of Cancellation. If received by fax or email, the date indicated on the header of the fax or email will serve as the effective date of cancellation.

Students have a right to cancel and receive a full refund of tuition paid, excluding the Registration Fee, if the Notice of Cancellation is submitted through attendance at the first-class session, or the seventh (7) day after enrollment, whichever, is later. Students who have entered into an Extended Payment Plan Agreement may cancel their agreement and avoid paying any additional amounts due, aside from the Registration Fee, by submitting their Notice of Cancellation through attendance at the first-class session, or the seventh (7) day after enrollment, whichever, is later.

The Registration Fee is only eligible for refund if the Notice of Cancellation is submitted within three (3) business days from the date the Enrollment Agreement is signed but before the first-class session.

Students paying the tuition amount upfront or paying the tuition through the Payment Plan Agreement who wish to cancel their enrollment before completing 60% of the published program term are entitled to a pro rata refund of tuition paid determined by the date the Notice of Cancellation is submitted. The amount of the refund will be based on the daily charge for the program, divided by the number of days in the program, multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawal. All amounts, excluding the Registration Fee, paid by the student in excess of what is owed based on this pro rata calculation, will be refunded.

Students who have entered into an Extended Payment Plan Agreement and wish to cancel their enrollment before completing 60% of the published program term will be issued an updated Payment Plan Agreement to reflect the dollar value of schooling actually attended or scheduled to attend based on the date the Notice of Cancellation is submitted. The dollar value of schooling actually attended or scheduled to attend will be based on the daily charge for the program, divided by the number of days in the program multiplied by the number of days the student attended, or was scheduled to attend prior to withdrawal. The student will be billed until the updated, pro rata tuition amount is paid in full.

Should a student submit a Notice of Withdrawal after completing 60% or more of the published program term, the student will not be entitled to any paid tuition funds and will be responsible for repayment of the full amount due including interest should an Extended Payment Plan Agreement be in place.

All available refund amounts due to the student will be issued within forty-five (45) days after the school receives the student's Notice of Cancellation.

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.
